

Mabanol Terra Car Globe 10W-40

Passenger car engine oil

Application

Mabanol Terra Car Globe 10W-40 is recommended for all passenger car diesel and petrol engines designed for year-round lubrication.

Properties

Mabanol Terra Car Globe 10W-40 is a passenger car engine oil produced with top-quality base oils and selected additives. The viscosity formulation provides outstanding lubrication, excellent oxidation stability as well as a high protection against wear, corrosion and the formation of deposits.

Specifications

- SAE grade 10W-40
- ACEA A3/B4
- API SL/CF

Recommended for

- MB-Sheet 229.1

Key data

	Test method	Unit	Value
Density at 15°C	ASTM D 5002	g/cm ³	0.865
Kin. Viscosity at 100°C	ISO 3104	mm ² /s	14.4
Flashpoint COC	ISO 2592	°C	220
Pourpoint	ISO 3016	°C	-27
Total Base Number (TBN)	ISO 3771	mg KOH/g	> 8
